

# Provide Reading Incentives

To encourage children to read, Reading Rewards includes built-in incentives, and lets parents, teachers and librarians define their own rewards.

## LEVELS

As they read, children move up levels, transforming into different animals and creatures

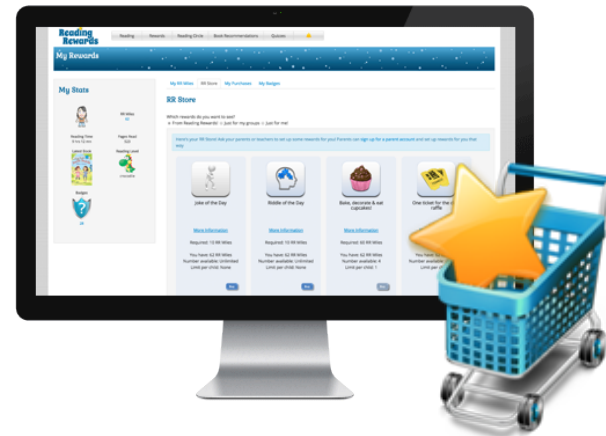

## BADGES

Children earn badges for a variety of different reading accomplishments

## RR MILES

Children accumulate "RR Miles" as they read, which they can redeem in various ways!

In the **RR Store**, children use their RR Miles to "purchase" a number of different types of rewards, such as:

- ★ An RR **Joke of the Day**
- ★ An RR **Riddle of the Day**
- ★ **Custom rewards** that parents, teachers and librarians define for them.
