

Track Reading Activity

Tracking reading on Reading Rewards is an environmentally friendly alternative to paper reading logs that is fun for kids & more efficient for teachers

Click [here](#) to watch a quick video overview of the reading log functionality.

On Reading Rewards, children can:

- ★ **Log their reading** in a fun and interactive way.
- ★ **Rate** and **review** books after they've finished them.
- ★ Showcase all the books they've read in the **virtual library**.
- ★ Build up a **wish list** of books they want to read.

Teachers, parents, and libraries can:

- ★ **Monitor** children's reading logs.
- ★ Read their **comments & book reviews**.
- ★ Set **reading targets** and generate **detailed reports** on students' reading.
- ★ **Comment** on students' reading logs & book reviews.
